During discussions with US Steel on Thursday, Mike Milsap our USW Chief Bargaining Officer, decided he needed our complete bargaining committee out in Pittsburgh next week. All Presidents will be leaving on October 5th to be in negotiations on October 6th. I would like to think that Burritt and his bargaining team will stop passing us his B.S. offers and move on to negotiate with the USW a good fair contract we all deserve!!

I also would like to remind everyone to get your signs in your vehicle windows at work, this is definitely a show of solidarity to all the management that sees them! We also have plenty of FDB stickers available if you don't have one, find a C.A.T. member and get one.

I will not be able to attend the rally on October 8th but we really want to show US Steel what solidarity means. We expect a lot of support from the other Local Unions, Retirees, and the community so please attend this event with your family members and let your voice be heard!!!

In Solidarity,

Steve Bonach,
President/Grievance Chairman
